The Law of the Fast

Steve Danielson

Is not this the fast that I have chosen? to loose the bands of

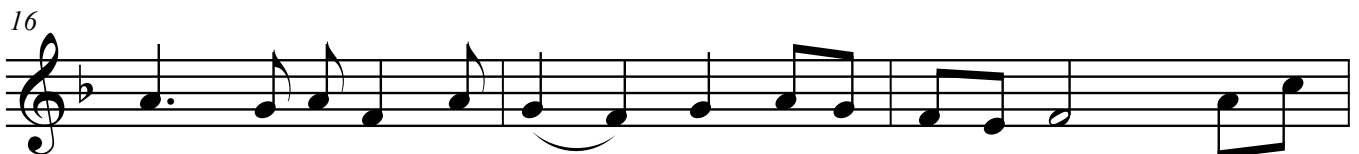

wick - ed-ness, to un - do the heav - y bur-dens, and to let the op -

pressed — go — free, and that ye — break ev'ry yoke? Is it not to deal thy

bread to the hungry, and that thou bring the poor that are cast out to thy house?

When thou se - est the na - ked, that thou cov - er him; and that

thou hide not thy-self from thine own — flesh?
